Signature of Inspector (I attest that I am sufficiently familiar with the breed standard to evaluate the dog whose information is recorded here. I have visually inspected this dog and have found it to meet the NLDA breed standard without exhibiting any disqualifications.)

Lacy Dogs that have never been registered with the NLDR should be inspected by a veterinarian or approved NLDR inspector. To be inspected, Lacy Dogs must be 12 months of age or older. Include 3 color pictures of the inspected dog (front and each side view) and one picture of the dog's occlusion. Inspection does not guarantee registry. Completed form, attachments, and pictures may be emailed to lacydogregistry@gmail.com. For a list of approved inspectors, visit www.lacydogregistry.com or call (830-220-4747.)
